DISHED HEAD METAL SPINNING

Osman Can tarafından 1973'te kurulan Canyıldız Bombe Sıvama, kurulduğu günden bu yana kalitesinden taviz vermeden ilerleyerek bugün sektöründe güvenilen ve aranan bir firma olmayı başarmıştır.

Firmamız, kurmuş olduğu teknik altyapısı ve her biri konusunda uzman personeliyle kapasitesini her geçen yılda artırarak büyümesini sürdürmüştür.

İstikrarlı büyüme için, iç piyasa kadar dış piyasada da etkin olmayı hedefleyen firmamız ihracat potansiyelini de artırma çabalarını kararlılıkla devam ettirmektedir.

Firmamız ulusal ve uluslararası fuarlara katılarak sektördeki gelişmeleri yakından takip etmekte ve yeniliklere öncülük etmek için ciddi bir çaba sarf etmektedir.

INDUSTRIAL SERVICE

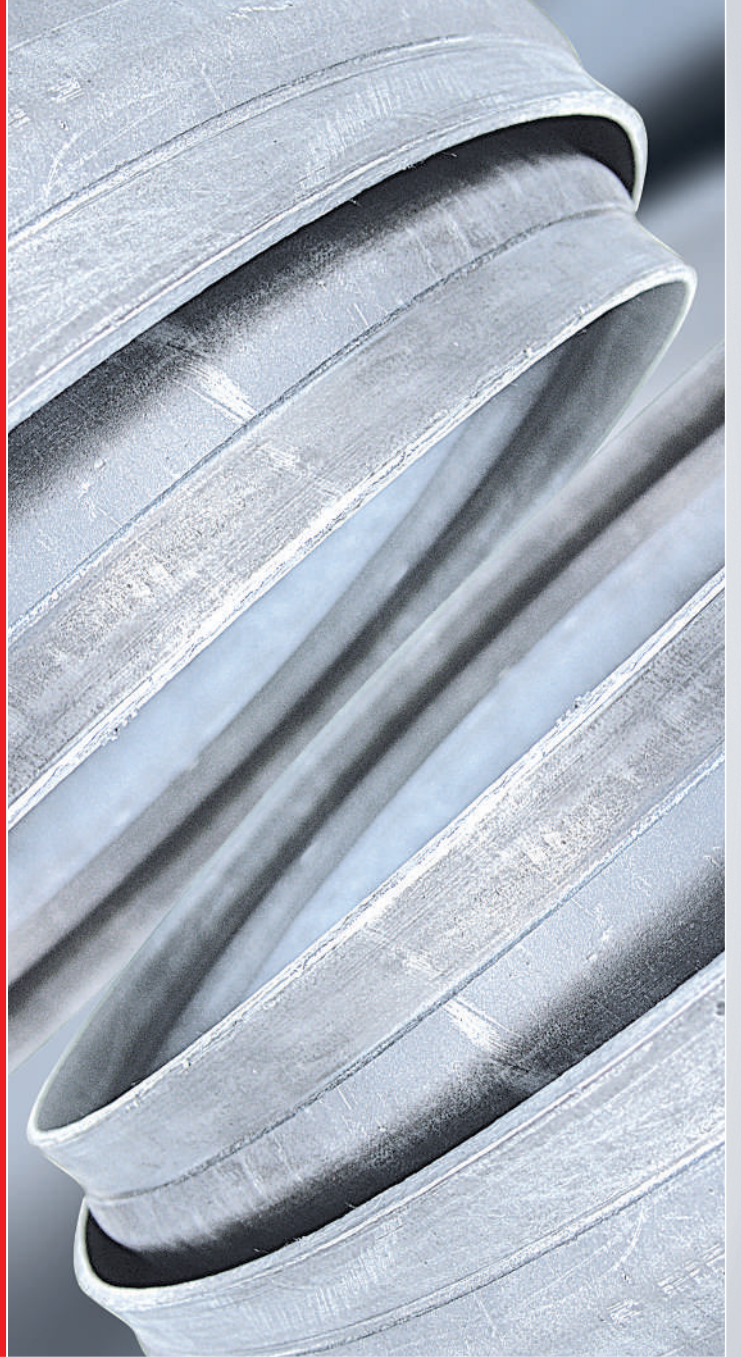

Canyıldız Dished Head Metal Spinning, founded by Osman Can in 1973, has progressed without compromising its quality since its foundation and has managed to become a trusted and sought-after company in its sector today.

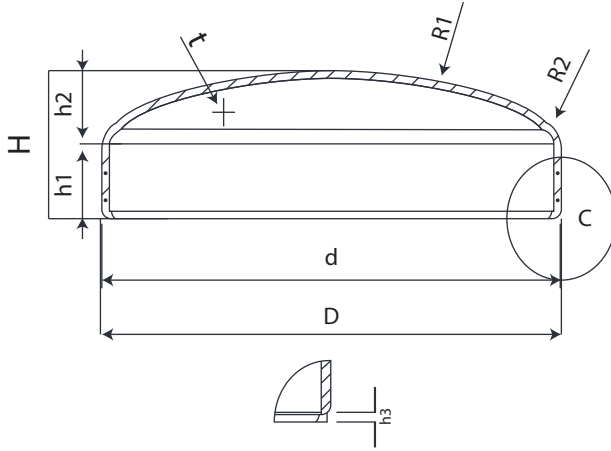

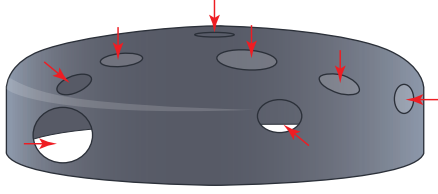

Our company has continued to grow by increasing its capacity every year with its technical infrastructure and expert personnel.

Our company, which aims to be effective in the foreign market as well as the domestic market for stable growth, continues its efforts to increase its export potential.

Our company follows the developments in the sector closely by participating in national and international fairs and makes a serious effort to lead innovations.
